Here are all the ways you can contact me:

- wnaggare@gse.harvard.edu
- (609) 955 - 2401

(and you can find me in Ms. Spitz office!)

About Me

Hi everyone! I'm so happy to be part of the Florida Ruffin Ridley community this year! I have my master's in School Counseling and two years of experience working with elementary students. My goal is to help kids grow socially and emotionally while supporting their learning every day. Whether you need someone to listen, a little guidance, or just a bright smile, I'm here and excited to get to know you!
